

## CHAIRMAN'S MESSAGE

It is with immense pride that I welcome you to the world of AIMS Industrial, AIMS Group Industrial arm. I have the privilege of leading a team of dedicated professionals who share a common vision: to be the foremost provider of high-quality, innovative building materials solutions, recognized for our commitment to quality, excellence and sustainability.

Since our inception in 2000 AIMS has built a reputation for unwavering quality and reliability. We operate state-of-the-art facilities allowing us to consistently deliver products that meet the highest standards. We invest heavily in research and development, ensuring our solutions evolve alongside the dynamic industrial landscape.

Our success, however, extends beyond technological prowess. We understand that people are the backbone of any organization. We foster a culture of collaboration, inclusivity, and continuous learning, empowering our employees to contribute their best.

As we look to the future, we remain committed to several key principles:

**Sustainability:** We believe in responsible manufacturing practices that minimize our environmental impact while ensuring long-term viability.

**Customer Focus:** We prioritize building strong relationships with our clients, understanding their needs and exceeding their expectations.

We invite you to explore our company profile further and discover how AIMS Industrial can be your trusted partner in achieving your goals.

Sincerely,

**Saleh Abdullah Al Subeaei**

CHAIRMAN OF THE BOARD

— AIMS INDUSTRIAL —  
ABDULLAH IBRAHIM  
MOHAMMED ALSUBEAEI

## About AIMS Industrial

AIMS Industrial is a leading and industrial company in Saudi Arabia specialized in manufacturing steel based building materail such as fastenrs (nails and angle beads) and wire products that covers wide range of customers in different sectors; (industrial, construction, and civil). Since 2000 ALIF focused on serving national and international customers with quality as center peice of our business values.

## Our Mission

We shall be a value-based enterprise with human excellence and innovation in all our products, services and processes creating value and to serve all the stakeholders, society and the country.

We shall ensure the best environment, health and safety practices with continual improvement.

We shall uphold the dignity of human beings, nurture team spirit and foster inspiring leadership through trust, empowerment and responsible care.

## Our Vision

To attain global recognition and customer trust through exemplary excellence in all interactions & transactions with our stakeholders.

Human values and social accountability would be paramount to all our activities. Ethical practices shall be the means to meet our noble ends.

## Our Experiences

We touch the lives of millions of people across the world every day with the products that we produce. It is highly likely AIMS Industrial has affected your life today, though you not know it. From the electricity you consume, to the house you live in; from the boardwalk you tread, to the hand tools that you use; we strive to deliver unparalleled quality through our customized value-added solutions to make your life easier. This is made possible by our commitment to a culture of continuous improvement, through which we drive operational excellence in processes, products and people.

## Why ALIF?

ALIF is a Middle East manufacturer and supplier of premium quality products for a broad range of industrial/OEM, commercial, and residential construction applications. Our mission is to consistently deliver high-quality products meeting or exceeding customer's needs as well as industry standards and applicable codes. With our team of dedicated employees, value-added partners and loyal customers we continue to grow and thrive.
